1. The Director, U. S. Board on Geographic Names, has furnished me this date with the following list of expenditures against CIG sponsored projects for the first quarter 1947, and requirements for the next two months. Use of CIG funds for the indicated JANIS studies was based on agreement between [redacted] of your staff to provide for the transitional period after 1 July 1947 when no funds were otherwise available. The item under "Research on Chinese Names" indicates funds expended by BCN during the first quarter 1947 for a project supported by CIG funds during the fourth quarter 1946.
